THE JUDGES FINAL RULING

Debbie, after some long and serious deliberations with Swiss counterparts (to insure impartiality, as we are by nature, a neutral country), we are pleased to provide the following rulings:

CELEBRITY LOOK-A-LIKE

Clearly the toughest category to judge, as the entrants were all very well done. And, being Swiss (wanting to be loved by all) we cannot announce 1 single winner, but 4, as follows:

3rd Runner-up Chris Cancilla

Whilst this mo is impressive, we didn't have quite the "fear of God" put into us like Kurt Ramblis (whoever he is) would in a break-away 1 on 1.

2nd Runner-up Matt Denten

We loved the likeness with Messer. Hodo from Village People, and who amongst us hasn't sung their breakout hit, even here in Switzerland? But, whilst the 'stache was on the manly side of things, we were left wondering what the hell the screwdriver was doing in the photo...so he knew which way to point his leg, or perhaps some kind of phallic innuendo, which we Swiss frown on?

1st Runner-up Hugo Murray

Whilst the Swiss panel was indeed impressed with Hugo's mo and the resemblance to one of our favorite American actors, Tom Selleck, it was the hair-flip around the edges of the ball cap that won the panel over. If our winner (announced below) cannot fulfill his duties, we are sure Mr. Murray will be able to serve admirably in his place.

And the winner is...(drum roll, please):

THE JUDGES FINAL RULING

Dave Wasserman

Our Swiss panel was united in our evaluation of his mo, as well as the gestalt of the likeness to Swiss homeboy, and mayor emeritus of Montreux, Freddy Mercury:

Good mustache

Great shades

Wife-beater T-shirt

Am I gay? Haircut

You may now play “We Are the Champions” as David takes his victory walk around the office.

MOST INNOVATIVE MO

Since there was only one entrant to this competition, the winner is...

J “Smooth” Bersano.

Nice look, nice ‘stache, but loose the Tiparillo. We Swiss like our cigarettes (thank you, Phillip Morris), and the filtered cigar look just doesn’t fly in our country.

BEST PRE-PUBESCENT MO

Another tight category, but the winner is...

Ray Plata of your Australian operation.

We didn’t realize there are no child labor laws in the penal region known as Australia (inside European joke), but since you apparently hire 12-year olds to work there, young man Ray Plata has the mo that we would expect from a boy of his age.

With tongue firmly in place, we congratulate all the entrants and champions of this most difficult of competitions! We look forward to the competition in future years!

I hope your teams had as much fun with this competition as I did judging it.

With best regards,

THE SWISSE
